# Mary Praises God

Day 3 | December 3 | Ages 5-8

### Read together

Read Luke 1:46-49 together in your family's Bible.

### Original child-friendly retelling

Mary responded to God's goodness with praise. She rejoiced in God her Savior and remembered that he had noticed her, an ordinary young woman. She knew that God had done great things for her and that his name is holy. Mary's praise helps us look beyond what we want and notice what God has already done. Today we can thank him with our voices, our drawings, and our actions.

### Talk together

Who did Mary praise?

What would you like to thank God for?

### Pray together

Dear God, Thank you for your goodness. Help us notice your gifts and praise you with thankful hearts. In Jesus' name, amen.

### Create and share

Tell a family member one reason you are thankful.
