Mary Visits Elizabeth

Day 2 | December 2 | Ages 5-8

Read together

Read Luke 1:39-45 together in your family's Bible.

Original child-friendly retelling

Mary traveled into the hill country to visit Elizabeth. When Mary greeted her, Elizabeth's unborn baby moved with joy. Filled with the Holy Spirit, Elizabeth welcomed Mary and honored the child Mary was carrying. She recognized Mary as the mother of her Lord and celebrated Mary's trust in God's message. These two women could share the wonder of what God was doing. We can encourage others as we prepare to celebrate Jesus.
